Dear sirs:-

Please advise me if  
you have the following American  
coins:- The one cent piece under  
dates, 1793, 1794, 1795, 1799, 1804 &  
1809: also want all the smallest  
French, Swiss and Italian small  
coppers & odd coppers of all kinds.

Advise me as to the best  
time of day to come and see  
your coins.

Very truly
